

ARTWORK INFO

850mm width Eco Roller Banner

Size of visible graphic:
850 x 1970mm

Please add 50mm of bleed at the base, which will go inside the cassette case. This means there should be 50mm of extra image that gets hidden inside the case at the bottom.

Total artwork size including bleed :
850 x 2020mm

Artwork - please supply as a high resolution PDF.

Resolution - We recommend that artwork supplied at actual size should be no less than 150 DPI. Artwork can also be supplied at 25% or 50% of the total print size, but resolution should be scaled accordingly - for example a file set up at 25% of the final size should be at least 600 DPI.

Colour - We print CMYK, so Spot/Pantone colours should be converted to CMYK.
